## 8B115BT4012PVFP

Manifolds (Series 8B) with 2-way ball valves and connectors for tube (Series 1A)

### Technical data

|                        |                     |
|------------------------|---------------------|
| Outlets                | 15                  |
| Connections            | DN04/06             |
| Material Body          | PVDF                |
| Material Ball Valves   | PVDF                |
| Material O-ring        | FKM                 |
| Material Connector     | PVDF                |
| Material Nipple        | PVDF                |
| Manifold Volume        | 0.6 dm <sup>3</sup> |
| Max. Media Temperature | 140°C               |
| Pressure Stage         | PN10                |

Starting from the nominal pressure rating (at 20°C), the permissible pressure reduces with increasing media temperature.
